## Golf Shop News

By

Dan Stepnicka

As we enter into March the golf shops hours will change slightly coinciding with daylight savings. Daylight savings begins on Sunday March 14<sup>th</sup>. From March 1<sup>st</sup> to March 13<sup>th</sup> we will still be keeping our winter hours. The shop will open and the first tee time will be 9:00am, the shop will close at 5:00pm. Starting on March 14<sup>th</sup>, we will still have the same opening hours but the pro shop will remain open until 6:00pm. The gang starting times will remain the same for March, 12:00pm on weekdays and 10:00am on weekends.

The 2010 tournament schedule has been completed and can be found on the clubs website. I would like to make notice that again this year Memorial Day and Labor Day scrambles have been moved to Sunday of the holiday weekend. We will handle these Sunday's with a double shotgun of open play in the morning and the tournament in the afternoon. The post tournament dinner festivities will also be on Sunday instead of Monday. On those Mondays of the holiday weekend we will open and operate like a normal weekend day. Also, this year on the 4<sup>th</sup> of July we will still be doing our flag tournament, only this year we will have a double shotgun format. The morning shotgun will be for open play and the afternoon shotgun will be for those members wishing to play in the flag tournament. The committee is putting a new spin on the Flag Tournament this year which should bring a lot of excitement to the event.

Back by popular demand Dr. Todd Nieder will again be offering a special "golf fitness program" this spring at Spotswood CC. Dr. Nieder's program is designed to help improve your golf performance as well as overall health and spine stability. This year's course will begin in early April and last through mid-May, for a total of 6, 1 hour sessions. Exact dates and times are yet to be determined. The total cost for this program is only \$50, and if you sign up by April 1<sup>st</sup>, you can save an additional 10%. Members can sign up at the golf shop; this program will be a great way to get this upcoming season started off on the right foot.

Lastly, the Pro Shop is in the process of receiving new merchandise on a daily basis getting ready for the upcoming season. Our shop is a great option for all your golfing needs. We match price on clubs, shoes, balls, etc, with all off course retail and internet stores out there and also provide custom fitting for product at no additional charge. We also provide a large quantity of demo product with different manufacturers so players can "test drive" which products fit their game the best. The golf shop is looking forward to an active 2010 golfing season.
